

Ashanti, Shooting Star

Chorus

Like a shooting star
Across the midnight sky
wherever you are
your gunna see me fly
like a shooting star
across the midnight sky
wherever you are
your gunna see me fly
so high

Like a shooting star
Across the midnight sky
wherever you are
your gunna see me fly
like a shooting star
across the midnight sky
wherever you are
your gunna see me fly
across the midnight sky

Verse 1

Where were you to hold my hand
Do the things that we had planned
Yes I need you by my side
When things go crazy
I just need to know you care
Garenteed that you'll be there
When I wake up in the night
Will you be my guiding light

I dont care how far,
I'll take a play tonight,
just tell me where you are,
and everythings gonna be alright.

Like a shooting star,
Cross the midnight sky,
Gunna fly,
Just to be with you tonight.

Like a shooting star,
Cross the midnight sky,
Gunna fly,
Just to be with you tonight.

Like a shooting star,
Across the midnight sky,
wherever you are your gunna see me fly
like a shooting star
across the midnight sky
wherever you are your gunna see me fly
so high
like a shooting star
across the midnight sky
wherever you are your gunna see me fly
like a shooting star
across the midnight sky
wherever you are your gunna see me fly
cross the midnight sky
Like a shooting star,
Across the midnight star,
Wherever you are your gunna see me fly,
Like a shooting star,
Across the midnight sky,

Your gunna see me fly,
So high.
