

# Ashanti, The Story Of 2

## 1st Verse

Baby I'm thinking about just what I wanna do (just what I wanna do)  
I don't care if I'm wrong  
I think I'm in love with you (think I'm in love with you.)  
All my friends say that I'm moving too soon,  
I don't care what they say I want to give myself to you

## -Chorus-

Dream maker make my dreams come true tonight  
If I close my eyes will you hold me tight all night.  
Dream maker here's what we gon' do tonight  
We gon' make sweet love til the morning light, yea yea

## 2nd Verse

I want you to have me all to yourself (all to yourself)  
I got to be with you (be with you)  
I don't want no one else (no one else)  
You given me everything I couldn't ask for more  
I need to be with you, with out you, I just can't go on

## -Chorus-

Dream maker make my dreams come true tonight  
If I close my eyes will you hold me tight all night.  
Dream maker here's what we gon' do tonight  
We gon' make sweet love til the morning light, yea yea

## -Ashanti-

Im a tell ya'll, a lil something about dreams,  
Dreams, really really do come true  
See I got a dream maker, how 'bout you?  
Dreams are made not by wanting, that's true  
Ya'll know what I'm talkin' about  
Let me tall ya'll what I'm talkin' about

## -Chorus-

Dream maker make my dreams come true tonight  
If I close my eyes will you hold me tight all night.  
Dream maker here's what we gon' do tonight  
We gon' make sweet love til the morning light, yea yea
