

# Ashanti, The Way That I Love You

After all of the times that we've tried  
I found out we were living a lie  
And after all of this love that we made  
I found out you don't love me the same

The way that I love  
The way that I love you  
The way that I love  
The way that I love you  
The way that I love  
The way that I love you

I woke up kinda early today  
And something told me from that moment  
It wouldn't be the same  
It felt like you were hiding something  
But I didn't push it  
I didn't complain or say nothin'  
I triedacted like I didn't see it  
Cause deep down I knew I didn't want to believe it

But there it was, it was you and her  
You left your sidekick on the nightstand  
And I read

Everything you did, and everything you said and  
And now I'm standing here looking like damn..  
I thought it was you and I  
Now I all I got to say is why?

After all of the time that we've tried  
I found out we were living a lie  
And after all of this love that we made  
I know now you don't love me the same

The way that I love  
The way that I love you  
The way that I love  
The way that I love you  
The way that I love  
The way that I love you

I notice now, that when I am around  
You be trying to lock the door

Whispering on the phone  
Now wait a minute since we been in this house  
You ain't never did this before  
Tell me what's this about?

I tried to sit and say to myself  
This here is too good he don't want nothing else  
But there it was, it was you and her  
You left your credit card receipt inside the beamer babe

Everything you bought her, and everything you spending  
Now I'm standing here once again  
I thought it was you and I  
Now I all I have to say is why?

After all of the times that we've tried  
I found out we were living a lie  
And after all of this love that we made  
I know now you don't love me the same

The way that I love  
The way that I love you  
The way that I love  
The way that I love you  
The way that I love  
The way that I love you

You Lied, You lied, Oh Why?  
Why'd you have to lie to me?  
Why'd you have to lie to me?  
Why'd you have to lie to me?  
Why?

After all of the times that we've tried  
I found out we were living a lie  
And after all of this love that we made  
I know now you don't love me the same

The way that I love  
The way that I love you  
The way that I love  
The way that I love you  
The way that I love  
The way that I love you
