

Ashbury Faith, Go Fuck Yourself

Go Fuck Yourself

It's been quite a while

Since I've seen that fake smile

Crying for a thrill

If it would laugh for real

To what I really feel

I would hate it still

What remains are scars

When a fuck up's all you are

Friendship can't be seen

It was like thin air that showed up

Everywhere, but it was never clean

Go fuck yourself, man. Go fuck you

Go fuck yourself, man. Go fuck you

Look at what you did

The guy you call your kid

Does not know where you went

Soon there'll be a day

The boy looks up to say

Jesus Christ, it's you again

It's you again, it's you

Go fuck yourself, man. Go fuck you...

I really strt to sweat

When love becomes a threat

The cure against losing friends

Is not to have them at all

But it turned into a mess

When you brought her home I guess

Will she be the next in line?

Go fuck yourself and go fuck yourself

And go fuck your...

Go fuck yourself, man. Go fuck you

Go fuck yourself, man

Go fuck yourself

Go fuck yourself, man
