

# Ashcroft Richard, Everybody

Ashcroft Richard  
Alone With Everybody  
Everybody  
Cool morning  
I was looking out it was a cold day

Songbird was drinking from a table  
But songbird you just flew away

Everybody's gotta feel the weight of death sometime  
And find out what it's like to be left behind  
Sometimes you don't get a chance to ask where or why

So let it break the magic beauty of your fragile mind  
And let it break the magic beauty of your fragile mind

It's not a sign of weakness  
When you're searching for the places where the  
memories flow

There may come a time when you rearrange and may leave  
those memories  
You've gotta let them go

Everybody's gotta feel the weight of death sometime  
And find out what it's like to be left behind  
Sometimes you don't get a chance to ask where or why

Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind

Everybody's gotta feel the weight of death sometime  
And find out what it's like to be left behind  
Sometimes you don't get a chance to ask where or why

Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind

Stay strong  
Move on  
Keep on

Stay strong  
Move on  
Keep on
