

Ashcroft Richard, Money To Burn

Ashcroft Richard

Alone With Everybody

Money To Burn

Oh I got money to burn I want to burn it on you

Come on yeah yeah

Ive got one short life I want to spend it on you

You light my fire I want to burn all night I want to burn on through

Aww yeah yeah

I got one short life I want to spend it on you

Chorus

Baby, You my sweet saviour

Your my one adventure your my one and only gift Ive got

From above From above

Oh we got one last dance I want to dance with you

Come on now now

We got one last supper gonna eat with you

Aww yeah yeah

We got one last I want to get high too

Come on now now I got one short life I want to spend it with you

Chorus

Oh I got money to burn I want to burn it on you

You light my fire I want to burn all night I want to burn on through

Come on night train your gonna take me away from a rotten shame.

Learn how to love I gotta learn how to live

Ive gotta learn how to give come on

Chorus to fade
