## Ashcroft Richard, Slow Was My Heart

Ashcroft Richard Alone With Everybody Slow Was My Heart Slow was my heart And so you had gone

So we move on Please stay strong

It keeps on turning yeah yeah for everyone We keep on learning yeah yeah to kiss the sun

Weak was my strength Your hand I should have lend

So we move on Please stay strong

It keeps on turning yeah yeah for everyone We keep on learning yeah yeah to kiss the sun Like everyone

Fly, fly my plane To an eastern runway

And tell me why Love must die

It keeps on turning yeah yeah for everyone You keep on learning yeah yeah to kiss the sun

I'm just like everyone (Keep on learning yeah yeah) x4

(Keep on learning yeah yeah) (Keep on learning yeah yeah) (Keep on learning yeah yeah) For everyone (Keep on learning yeah yeah) (Keep on learning yeah yeah) (Keep on learning yeah yeah)
