

Ashe, omw

I take back what I said
Even though know I meant it
And I paid all my respects
You go and spend them

Life is a bitch everybody's invited
Baby and all of my windows are down with the rain and the lightning
They say that somewhere over the rainbow the sun'll be shining
The birds will be flying
There's no denying I'm

I'm on my way
The road is winding
I'm on my way
The light is blinding
Baby my time
No, it might not be today
But I'm on my way
I'm on my way
I'm on my way
I'm on my way

Life threw me round the planet
Cleaning up the damage
I'm so tired
Burning up the bridges
Flying off the hinges

Life is a bitch everybody's invited
Baby and all of my windows are down with the rain and the lightning
They say that somewhere over the rainbow the sun'll be shining
The birds will be flying
There's no denying I'm

I'm on my way
The road is winding
I'm on my way
When the light is blinding
Baby my time
No, it might not be today
But I'm on my way
I'm on my way
I'm on my way
I'm on my way
