

Asher Roth, I Love College

(intro)

I'm nice right now

I, I feel good

If you have a drink

Would you please put it in the air

(chorus)

That party last night was awfully crazy

I wish we taped it

I danced my ass off and had this one girl completely naked

Drink my beer and smoke my weed

With my good friends is all I need

Pass out at 3 wake up at 10

Go out to eat then do it again

(verse one)

I wanna go to college for the rest of my life

Sip bankers club and drink miller lite

On thirsty thursday and tuesday night ice

And I can get pizza a dollar a slice

So fill up my cup

Let's get fucked up

I'm next on the table

Who want what

I am champion at beer pong

Allen iverson hakeem olajuwon

Don't even bounce, not in my house

Better hope you make it

Otherwise you naked

Time isnt wasted when youre getting wasted

Woke up today and all I could say is

(chorus)

That party last night was awfully crazy

I wish we taped it

I danced my ass off and had this one girl completely naked

Drink my beer and smoke my weed

But my good friends is all I need

Pass out at 3 wake up at 10

Go out to eat then do it again

(bridge part)

Man, I love college

And I love drinkin

I love women

I love college

(verse two)

I can't tell you what I learned from school

But I could tell you a story or two

Um yea of course I learned some rules

Like dont pass out with your shoes on

And dont leave the house till the booze gone

And dont have sex if shes too gone

When it comes to condoms put two on

Then tomorrow night find a new jawn

Hold the beer bong

Nothing wrong with some fun

Even if we did get a little just too drunk

Time isnt wasted when youre getting wasted

Woke up today and all I could say is

(chorus)

That party last night was awfully crazy

I wish we taped it

I danced my ass off and had this one girl completely naked

Drink my beer and smoke my weed

But my good friends is all i need

Pass out at 3 wake up at 10

Go out to eat then do it again

(bridge part)
Man, I love college
And I love drinkin
I love women
I love college
Now if everybody would please
Put their drink as high as they can
As high as they can
And repeat after me
Do somethin crazy
Do somethin crazy
Do somethin crazy
Do somethin crazy
Freshman
Freshman
Freshman
Freshman
Do somethin crazy
Do somethin crazy
Do somethin crazy
Do somethin crazy
Keg stand
Keg stand
Keg stand
Keg stand
Yea
That party last night
Man, I love college
I love it
That party last night
Alright everybody I gotta head back to class for a little bit
(chorus in background)
But after that
You know whats goin down
My house and 3 kegs
See you there
Youre all invited
Bring your friends
Bring your mom
Do I really have to graduate
Or can I just stay here for the rest of my life
