

# ASHES DIVIDE, Too late

If I could separate me from myself, I'd stay away from me.  
If you decide I'm wrong, and you can wait that long, maybe it's not too late.  
I will not lose you to the melting sky  
Or to the mad parade  
To the bloody jaws or the fire fall  
Don't be afraid.  
You need never know, a cold heart, heart of stone  
Or lonely memory, you will never be alone  
If I could separate me from myself, I'd stay away from me.  
If you decide I'm wrong, and you can wait that long, maybe it's not too late.  
I will not lose you to a world that doesn't care  
To the monsters that would have you.  
Never surrender you, I always will be there  
I will be there to wrap myself around you  
I will not lose you to the dark or to the nights  
To the terrible machine  
Never let you lose your light  
If I could separate me from myself, I'd stay away from me.  
But if you decide I'm wrong, and you can wait that long, don't fall away from me.  
Don't pull away...  
If I could separate me from myself, I'd stay away from me.  
But if you think I belong, stay and keep me strong, maybe it's not too late.
