

Ashford & Simpson, I'll Be There For You

Ooh...hoo...oh...

I know you're scared
Cause I don't have the image of a hero
But no matter what comes our way or what we go through
I'll be there for you, ho...mmm...

And I can't say
That I can satisfy your every needs, oh
But you must know this, through your tears and fears
I care and there ain't nothin' we can't share

I'll be there for you {All you do is call}
I'll be there for you (I'll be there, be there when you fall)
When the world is closin' in and there's no one you can turn to
I'll be there for you {Oh...}

You're gonna need
Somebody you can lean on and be sure of
Though seasons may change, my love remains new
And I'll be there for you (Ooh...hoo...hoo...)

I know it's hard
To talk about emotions locked inside, oh...
But you've got to be free enough with me to share
And in the time of need I swear

I'll be there for you (Ooh...) {Reach out and grab my hand, girl}
I'll be there for you (Baby, baby, baby, I understand) {Ooh}
When the world is closin' in and there's no one you can turn to
I'll be there

I know you have a sense of who you are
That I admire, yeah
Yeah, and even the strong and the brave
You can get tired {Baby, baby}

But when everything goes wrong
And the night is cold, hold on
Don't need no luck, ifs, and or buts
Anytime, anyplace, any where {Yeah} (Yeah)

I'll be there for you {Reach out and grab my hand, girl} (Ooh)
I'll be there for you (Baby, baby, baby, I understand) {Ooh...}
When the world is closin' in and there's no one you can turn to
I'll be there

I'll be there for you {Baby, you know it}
I'll be there for you (I love you still, I love you still) {Ooh}
I'll be there for you {'Cause my love is guaranteed}
I'll be there for you (Oh...lean on me, lean on me)

I'll be there for you {I'll climb any mountain}
I'll be there for you (Baby) {I'll be there in a hurry} (Yeah) {Woo}
When the world is closin' in and there's no one you can turn to
I'll be there for you
