

# Ashlee Simpson, Break Down

Break Down  
(Introduction)  
Yeah

Verse1:

The lights is off and theres no cameras  
Also theres little light everytime I walk  
pass  
Then Wild Boys pop up from no where and  
they started  
carry me around and they do alot of things  
around me so.....

Chorus:

Break down  
Break down my heart and my heart is in my soul  
so break down  
break down my life out and I'm a girl that you want  
Also I need to break down away by myself  
So break down  
Break down

Verse2:

Now 'm lock in my room thats really dark  
and I could go crazy also I coulddo anything  
in my own room and you could watch me move around  
like those wild boys did to me so go down,get low  
so....  
(repeat chorus 2times)
