

# Ashlee Simpson, Fall In Love With Me

Let's run away  
Name a place  
Where the air tastes like rain  
And the sun shines like Sunday morning

You bring your laugh and I'll bring my sense of humor  
And we can waste days  
One week after another

[Chorus]  
Turn it up turn it up I'm falling  
Turn the music up and fall in love with me  
Turn it up turn it up I'm falling  
Turn the music up and fall in love with me

Don't need a book  
Don't need anything but  
The art of conversation and the lovely gift of sleep

We won't leave till sand's in everything and  
Hearts are full of breeze  
And we've caught up on our daydreaming

[Chorus]  
Turn it up turn it up I'm falling  
Turn the music up and fall in love with me  
Turn it up turn it up I'm falling  
Turn the music up and fall in love with me

When the night comes  
We can stay in bed  
And what's left to talk about  
Is better left unsaid

[Chorus]  
Turn it up turn it up I'm falling  
Turn the music up and fall in love with me  
Turn it up turn it up I'm falling  
Turn the music up and fall in love with me  
Turn it up turn it up I'm falling  
Turn the music up and fall in love with me
