

Ashlee Simpson, I'm Out

Your face
I'm a mess
All I know
Is not enough

I can't deal
With one side of love
All I know
You're not enough

Love this place is hunted
The walls are staring back at me
Love all, you're the reason
My life is dimmer than me

All the city screaming
I can't pick it anymore
Now the lights are brighter
And we still dancing on the floor
Oh Oh - Oh Oh
And I'm out

You're running wild without me
Can't you see I'm not enough?
I can't change, there is no blame
Yeah I know we're not enough (we're not enough, we're not enough, we're not enough, we're not enough)

Love this place is hunted
The walls are staring back at me
Love all, you're the reason
My life is dimmer than me

All the city screaming
I can't pick it anymore
Now the lights are brighter
And we still dancing on the floor
Oh Oh - Oh Oh
And I'm out

(I'm fading)
Everything is fading
(I'm jaded)
My heart's feeling jaded
You're not here with me, boy
This is what is so let go

All the city screaming
I can't pick it anymore
Now the lights are brighter
And we still dancing on the floor
Oh Oh - Oh Oh
And I'm out
Oh Oh - Oh Oh
Oh Oh - Oh Oh
And I'm out
