Come On Baby Light My Fire

You know that it would be untrue

You know that I would be a liar

if I was to say to You,

Girl we couldn't get much higher

Chorus:

Come on baby light my fire,

come on baby light my fire,

Try to set the night on fire...

The time to hesitate is through,

the time to wallow in the mire,

try, and we could only lose,

and our become a funeral pyre,

Come on baby light my fire,

come on baby light my fire

Try to set the night on fire!

The Time to hesitate is through,

no time to wallow in the mire,

try and we could only love,

and our love become a funeral pyre,

Come on baby light my fire,

come on baby light my fire

Try to set the night on fire!

You know that it would be untrue,

you know I would be a liar,

if I was to say to you,

girl we couldn't be much higher,

Come on baby light my fire,

come on baby light my fire,

try to set the night on fire,

try to set the night on fire,

try to set the night on fire,

try to set the night on fire...
