That their not real  
But it pump's up the spirit  
For the Chris to the mas  
Nobody's stoppin  
Everybody's bumpin  
To the Christmas sound I bring  
December 25

And talk about x-mas

Their the one's with the frown  
Get into the joy  
And rock to my tune  
To the ride

Get into the snow

And fall down  
Have a great time  
Don't back down  
Like I did a long time ago  
Get your childhood in  
Before it's too late  
Just get to Christmas  
Chris to the mas  
That makes the Christmas  
Don't do that  
Don't do this  
You're parents always bossing you around  
But during Christmas  
You'll hear my cool sound  
And be free  
Oh

Chorus:  
It's the Chris to the mas  
That makes Christmas  
Christmas here  
And Christmas there  
It's the Chris to the mas  
That makes me sing  
About Christmas here  
About Christmas there  
It's the Chris to the mas  
Ho ho ho  
(repeat)

Don't need anybody

With the family  
Get your presents  
And have fun  
It's the Chris to the mas  
Oh whatcha say!

It's the Chris to the mas  
That makes Christmas

It's the Chris to the mas  
Ho ho ho
