Don't know What to do  
I love you

but to cry in over you.

You've got a girl, but i don't care.  
She likes to dangle you in front of me

You and her got me goin in circles

but to cry over you

That day you gave me that kiss  
it was something like this  
i wanted to scream  
i wanted to shout

yea yea yea

i don't know what to do  
but to cry over you  
you've got me going insane
