

# Ashley Gearing, Can you hear me when I talk to y

Time passes by so quickly  
But I guess I thought you'd be here forever  
I never even had a chance  
To say goodbye  
There's so many things to tell you  
Left unsaid until now  
Can you hear me when I talk to you?  
Do the words I say ever make it through?  
Can you hear me when I talk to you?  
'Cause I'd give anything if I just knew  
Every night I have the same dream  
The one where you get to hold me  
We laugh and talk until the morning  
And then you vanish, yeah  
It always leaves me feeling helpless  
When I wake up and you're not there  
Can you hear me when I talk to you?  
Do you know how much I'd love to be with you?  
Can you hear me when I talk to you?  
'Cause I'd give anything if I just knew  
Living in this world without you  
I constantly search through my memories  
Hoping that I find some treasures  
That I passed over, yeah  
All that I took for granted  
Means so much now and I won't let it go  
Can you hear me when I talk to you?  
'Cause I never said some things that I meant to  
Can you hear me when I talk to you?  
'Cause I'd give anything if I just knew  
You know I never said some things that I meant to  
Can you hear me when I talk to you?  
'Cause I'd give anything if I just knew  
I miss you Daddy
