

# Ashley Monroe, I Don't Want To

I could go out tonight  
And find some stranger  
It wouldn't be wrong  
No, it wouldn't be wrong

Cause it ain't no crime, no felony  
There ain't no chains here  
Holdin' me down, holdin' me down  
There ain't no place here  
On this earth I'd rather be  
So why would I leave

I could want somebody else  
I could need somebody else  
I could love somebody other than you  
But I don't want to

There's no good help there for me now  
There's nothing I can't do without  
I can't live without  
You make me feel like heaven's  
Pouring down on me  
I know I'm free

I could want somebody else  
I could need somebody else  
I could love somebody other than you  
But I don't want to

I could dream somebody else  
Be treated like a queen by someone else  
I could love somebody other than you  
But I don't want to

(I don't want you to leave..ohh)

I could want somebody else  
I could need somebody else  
I could love somebody other than you  
But I don't want to

I could dream somebody else  
Be treated like a queen by someone else  
I could love somebody other than you  
But I don't want to

I don't want to (x3)
