

# Ashley Park, Land Of Our Dreams (piosenka z Em

So what happens now  
In this land of our dreams?  
Every wish that we've yearned for  
Will suddenly be granted  
If it's as full of magic as it seems  
Shall we make some wishes?  
Listen hard to our hearts  
Do we dare have the courage  
To reach out for the moon  
When deep inside the soul  
Is where the magic starts

Dreams lie dewdrop  
When the rains stops  
Run down the leaves  
And quench the earth  
You can't put a price  
On what they're worth  
All your heart can hold  
Can't be bought with gold  
Take a journey through your mind  
See what riches you can find

All these gentle daydreams  
That we hold in our hands  
Fill our hearts with a glow  
That will linger in the memory  
Even if we've built our dreams on shifting sands

Dreams like rain  
Glow bright as rainbows  
Caught in a shaft  
Or April sun  
And though they fade away  
They'll never go
