

# Ashley Parker Angel, Alright, OK

head light flash and i see your face rearview mirroras you drive away

alright, OK

Street light shine as my heart goes numb i should be pist but thats what you want

Alright, OK

hey and i can see in the pouring rain that all roads leed me to yesterday and now i know and now y

Its gunna be alright its gunna be ok your gunna feel alright, OK Its gunna be alright its gunna be ok

i look back to see where you went i found myself where i have never been

alright, OK

[Alright, OK lyrics on <http://www.metrolyrics.com>]

sun burns bright at the crack of noon my hard side says im over you

alright, OK

hey and goodbye are all i cant think to say when all roads lead me to yesterday and now i know an

Its gunna be alright its gunna be ok your gunna feel alright, OK Its gunna be alright its gunna be ok

And it keeps on getting better all the time everyday everday 'cause you know everything will work c

Its gunna be alright its gunna be ok your gunna feel alright, OK Its gunna be alright its gunna be ok
