

# Ashley Tisdale and Matt Prokop, I just wanna be with you

[Sharpay]

Ooo, yeah, ooh, yeah

I gotta lot of things, I have to do

All these distractions, our futures coming soon

Were being pulled, a hundred different directions

But whatever happens, I know Ive got you

Youre on my mind, youre in my heart

It doesnt matter where we are

Well be alright, even if were miles apart

Even if were miles apart!

Even if were, miles, and miles, and miles apart!

[Jimmie]

All, I wanna do, is be with you, be with you

[Sharpay & Jimmie]

Theres nothing we can do

[Sharpay]

Eww

[Sharpay & Jimmie]

I just wanna be with you

[Jimmie]

Only you

[Sharpay & Jimmie]

No matter where life takes us, nothing can break us apart

[Sharpay]

A-a-achoo!

[Jimmie]

I just wanna be with

[Sharpay]

Eww

[Jimmie]

You!
