

Ashley Tisdale, Erase

i don't wanna feel like this
i don't want to
i don't want to
i don't want to freak you out
but i..
think i might of said too much
didnt mean to
didnt mean to
think i might of said is you and i
guess i should leave this behind
guess i should erase and rewind
somehow i cant seem to stay away
i don't want to sound desperate but i am
so come say that you'll come around
guess i should erase and rewind, erase and rewind
i don't want to stand in line
like i used to
like i used to
i don't want to have to scream and shout
cause im the kinda girl that sticks
like a tattoo
like a tattoo
yeah im the kinda girl that wears you out
guess i should leave this behind
guess i should erase and rewind
somehow i cant seem to stay away
i don't want to sound desprite but i am
so say that youll come around
guess i should erase and rewind, erase and rewind
you never do return my calls
just like we never met at all
no matter what ill always wait for you
i'll wait for you
i'll wait for you
i don't wanna feel like this
i don't want to
guess i should leave this behind
guess i should erase and rewind
somehow i cant seem to stay away
i don't want to sound desperate but i am
so say that you'll come around
guess i should erase and rewind
erase and rewind
