

Ashley Tisdale, Hot Mess

I'm a mess when it comes to you
I got no inhibitions
whatsoever its true
im not the king of girl
who plays around like this
a hug and a kiss
best friends with benefits
no
but your so racy
your my favorite guy
so unruly and uncivilized
you've been had me
you've done got me between my eyes?
doing things you never did
you wake up in your bra and your makeup
car in the driveway, parked sideways
I know this is killing me
I, leave every piece of my conscience behind
I'm such a hot mess
I'm such a hot mess
I'm such a hot mess with you
I never knew
loving you can be so fun
its true
I was such a good, good girl
before you came along
uh-oh
but your so racy
your my favorite guy
so unruly and uncivilized
you've been had me
you've done got me between my eyes?
doing things you never did
you wake up in your bra and your makeup
car in the driveway, parked sideways
I know this is killing me
I, leave every piece of my conscience behind
I'm such a hot mess
I'm such a hot mess
I'm such a hot mess with you
I'm feeling just like a mistress
letting my mailbox pile up to the sealing
feeling so irresponsible
oh
I just wanna be with you
I just want you to watch us see what I do
no heart, do like this
act like this is all you have
you know we try to make us last
you just make me feel like this... mess
hot mess
You wake up in your bra and your makeup
car in the driveway, parked sideways
I know this is killing me
I, leave every piece of my conscience behind
I'm such a hot mess
I'm such a hot mess
I'm such a hot mess wth you
