

Ashley Tisdale, Intro

Suddenly I am in front of the lights

I can't unlove you!

He said, "You're amazin'" (yeah, baby)

She said, "Then why you waitin'?" (Be good, be good, be good, be good)

Show me some positivity (Zoom zoom zoom zoom)

Show me some positivity

We'll be together, come whatever

Not just staring at the stars

These are headstrong, crazy days

When your mind's made up and the music plays

So much for you, so much for you

So much for you, so much for you
