

# Ashley Tisdale, Tell me lies

Its in your eyes, feelings cant be disguised, cause the truth makes me want you to tell me lies, my  
How cold could you be, what would you do if you were me, Im better off, if its a mystery.  
Cause I dont (dont) wanna know (know) if I kissed your lips for the last time, please dont say, if its  
Somethings not right, love is nowhere in sight, im not ready to let go, its not time.  
How cruel could you be, dont say were trough, least not to me, im better off, leave it a mystery.  
Cause I dont (dont) wanna know (know) if I kissed your lips for the last time, please dont say, if its  
Dont tell me your leaving, theres only so much I can take, its easier if youre faking.  
Oh, oh, oh, ohh  
Cause I dont (dont) wanna know (know) if I kissed your lips for the last time, please dont say, if its  
Tell me, tell me, tell me lies.
