

Ashnikko, Tantrum

Riots on the TV
Freeway dirt bike, popping wheelies
They wanna keep it PG
All their daughters wanna be me
I'm Georgia peachy, believe me
Head out the window, it's breezy
They up my ass like bikinis
I'm not nice, I'm a meanie
sorry mom and dad
I did something bad
Please don't get attached
There's no coming back
Break a heart like an egg shell
Cardiac arrest, a heart attack
Throw a tantrum, baby
Doll me up 'cause I'm a brat
I'm a handful, demi-devil
Pyromaniac
Bitch, I am one, throw a tantrum
Bitch, I am one
Throw a tantrum
Beauty pageant, make it tragic
Blood dripping down my nose
Leather jackets, bad habits
And we're revving to a fault
Dark magic, cheer captain, cheer
My team like, go to goal
T-E-A-M-P-S-Y-C-H-O, Team Psycho
Sorry mom and dad
I did something bad
Please don't get attached
There's no coming back
Break a heart like an egg shell
Cardiac arrest, a heart attack
Throw a tantrum, baby
Doll me up 'cause I'm a brat
I'm a handful, demi-devil
Pyromaniac
Bitch, I am one, throw a tantrum
Bitch, I am one
Throw a tantrum
Bitch, I am one (I'm a brat)
Throw a tantrum
