

Ashnikko, Working Bitch

I'm a working bitch
ain't got no time for dick
you wish you could sway my attention
I'm working bitch
ain't got no time for dick
sure as fuck can't sway my attention

too tired to entertain little boys
I'm the boss of my business
I should invoice one strike
two, I am self-employed
swear my blue vibrator brings me more joy
if you wanna play second fiddle to my job
wanna be side dick In a one stop shop
let me know /2x

cuz I do well for myself
nothing you do is extraordinary
taxing on my mental health
and my last boyfriend was cautionary

I'm a working bitch
ain't got no time for dick
you wish you could sway my attention
I'm working bitch
ain't got no time for dick
sure as fuck can't sway my attention

I love my job
fuck a blow job
what's the point?
it's all déjà vu
they fdon't give me what I want
money make some
making money better than the dick
pusst play-doh
pussyt like her pocket thick
now he look stressed cuz he know that I don't need him
mputh open , baby bird
I am not gonna feed him
I am big, I m aboss

I'm a working bitch
ain't got no time for dick
you wish you could sway my attention
I'm working bitch
ain't got no time for dick
sure as fuck can't sway my attention

cuz I do well for myself
nothing you do is extraordinary
taxing on my mental health
and my last boyfriend was cautionary

I'm a working bitch
ain't got no time for dick
you wish you could sway my attention
I'm working bitch
ain't got no time for dick
sure as fuck can't sway my attention

I'm a working bitch
working bitch, working bitch
I'm a working bitch

working bitch, working bitch
