

Ashton Shepherd, Lost In You

I feel a million miles away
I believe I'm lost in the way you hold me
In my eyes we're the only ones here
Absolutely no fear

'Cause I get lost in your eyes, lost in your touch
And lost in the way I ain't ever cared so much
And hoping to god you feel like I do
Completely lost in you

I'm a little nervous about this feeling
But I leave it, no holding back, only believing
I'm not sure how you feel or what you want to do
But I can say straight from my heart, all I want is you

'Cause I get lost in your eyes, lost in your touch
Lost in the way I ain't ever cared so much, oh no
And hoping to god you feel like I do
Completely lost in you
'Cause I'm completely lost in you

I feel a million miles away
