

Ashtray Hearts, Bryn Mawr

Ashtray Hearts
Old Numbers
Bryn Mawr
Will I see you today
at the parade
or in Bryn Mawr
Sitting on your porch

Dont act scared
its only because you are trying
to stay young
but no one really cares
what you've done

You were right
about the clean white spaces
and the way
it opens up a room

These old numbers come easier than they should
and these reunion weeks dont do us any good

They're just one more chance to see
whos wrong
They're just one more chance to see
whos wrong
They're just one more chance to see
whos wrong
They're just one more chance to see
whos wrong
