

Ashtray Hearts, Spain

Ashtray Hearts
Old Numbers
Spain

Its a long way
to anywhere in Spain
Thats all she said to me
Thats all she said to me

Well its a long way
to anywhere in Spain
Thats all she said to me
Thats all she said to me

They were the only words I could hear
as the last call came
and she disappeared
I spent the last three years hoping
that i would see her around

I guess the long wait is over
I still have three days on the train
Well its a long way to anywhere in Spain
