

Asia, A Far Cry

(Downes/Payne/Hart/Mitchell)

In the dead of night
On the wings of the wind
I hear the ocean bell
With a flash of light
In the beat of the dark
The sound I know so well

I shall never forget you
It's been so long
I should never have left you
The call so strong

It's a far cry from a wild world
It want to get back to you
Such a long road, to the homeland
I must make my way to a far cry

From the chords of the earth
To the depths of the sea
I will return
As I look to the hill
Through the eyes of the storm
I touch the flame

I shall never forget you
It's been so long
I should never have left you
The call so strong

It's such a far cry
