

Asia, An Extraordinary Life

A perfect day, or so I say
From where I'm standing
This rollercoaster ride, fate will decide
The ending

Love everlasting, or lost on the way

The smiles and the frowns, the ups and downs
Of fortune turning
The twists and turns, the lessons learned
The bridges burning

Nights to remember and never forget

CHORUS

Go, seize the day
Wake up and say
This is an extraordinary life, oh
Enjoy today
Come what may
This is an extraordinary

I gave it all, my cards have fallen
But I'm still alive
And in the end, believe my friend
I will survive

Glory or heartache and some of the joy

CHORUS

All of the good times, all of the bad
Responsibility is totally mine I know
I rightly stand accused
But I believe that I can change
Yes, I can change my world

CHORUS
