

Asia Cruise, Long Distance Relationship

It's Been 2 Months And 20 Days

The Last Time I Laid My Eyes

On You...

And Im Sick And Tired Of Not Being Around You

And Im Sick And Tired Of Not Seeing Your Face

Baby, I Know Its Killing You Too

I Can Hear It In Your Voice When Im Talking To You

On The Phone Late At Night

My Conclusion Is

Being Alone Ain't Right

So Confused, Babe

[Chorus:]

Cuz At Nights I Cry

Thinkin About You, Baby

Can't Do Without You Baby (Please Believe Me)

That Some Nights I Cry

Thinkin About You, Baby

I Can't Handle This Long Distance Relationship (Yeah X15)

Long Distance Relationship

See, Iiiii Will Go So Crazy

If You're Not Here With Me

You're Too Far (Too Far

You're Not Near Me

I'm Alone Late At Night

And My Conclusion Is

Being Alone Ain't Right

I Need You Cuz Ur My Whole World

My Baby, Special Lady, Through And Through

By Thanking You For Inspiring Me

Boy, You Know That

You Put That Fire In Me

Thank You

[Chorus:]

Cuz At Nights I Cry

Thinkin About You, Baby

Can't Do Without You Baby (Please Believe Me)

That Some Nights I Cry

Thinkin About You, Baby

I Can't Handle This Long Distance Relationship (Yeah [X15])

Long Distance Relationship

I Can't Handle This Long Distance Relationship (Yeah [X15])

I Can't Handle This Long Distance Relationship (Yeah [X15])
