

Asia Cruise, Worry Bout Me

[Verse 1:]

(You and I) both know that we're not happy, so something needs to happen
(Same old same) everyday of the week, (everyday of the week)
(Why oh why) do you keep lying to me, I'm not buying a thing
(That you say) so just leave it alone (So just leave it alone)

[Pre-Chorus:]

(And baby when I call) you act like you don't wanna talk to me,
Acting like you're asleep
(If that's how it is) I'll just leave you alone (I'll just leave you alone)
But first you gotta haveee

[Chorus:]

(Ya go) ya say (Ya home)
So you ain't gotta worry bout me
(You ain't gotta worry bout me)
(I'm okay) but you (can't say soo)
You ain't gotta worry bout me
(You ain't gotta worry bout me)
(Ya go) ya say (Ya home)
So you ain't gotta worry bout me
