Asia, Kings Of The Day

(Downes/Payne)

[Regis Diem]

Heroes of the future The keepers of the past And objects of our beauty Remaining till the last

Walking on the water The oceans at our feet The passage of our nature The taste of bitter-sweet

So shall we be Kings? Born just to win Proud voices sing And we wish that this life would go on and on

Looking in the distance The fever on the street Cast away the covers Let my people see

Rulers of the network Leaders from the dark Embrace a generation The first will be the last

So shall we be Kings? Born just to win Proud voices sing And we wish that this life would go on and on

Shall we be Kings? Born just to win Proud voices sing We will never give up till the day is done

Shall we be Kings? Born just to win Proud voices sing And we hope that the Word will live on and on

Time waiting Time taking Life
