

Asia, Little Rich Boy

(Downes/Payne)

Don't read "Marx";
He's a clean cut guy
Just the dream
On a TV eye
If you swim
In the dark
You lose a hand
When you feed the shark

Little rich boy, she's gonna find you
Little rich boy
Little rich boy, those claws will blind you
Just a little rich boy

She got hooks
In your veins
Feel the pleasure
Kill the pain
Drop a pearl
See the dragon fly
Crack the diamond
Do you still feel high?
