

# Asia, Love Now Till Eternity

(Wetton/Downes)

Now, the party's over  
It's you and I, just you and I  
Now, the guests have gone  
It's one on one, one on one

Which way now, will the eagle fly?  
Tell me how, will the stars shine in the sky

[Chorus:]  
Love now till eternity  
Shooting for the moon  
To put your hand in mine and say  
I vow to stay with you

[Chorus]  
You, you are my life  
And so I give, all that I can  
All, all that is left  
That you are woman, I am man

Which way now, will the eagle fly?  
Tell me how, will the stars shine in the sky

[Chorus]
