

Asia Minor, Dedicace

Came down from heaven
Charm indefinite and real
At times delicate and abstract
Suffers and make suffer

Silent beauty soft as light
Charming lady of all nights

Without a doubt a light
An invitation to bliss
Glistening of all grace of nature
Condensed in only one
Sometimes a word
Lost in its dream
Elsewhere inaccessible
Divine mystery

Beauty of suffering
Pain of solitude
Deep look came from far
Abyss of passion

Silent beauty soft as light
Charming lady of all nights
