

# Asia Minor, Dedicace

Came down from heaven  
Charm indefinite and real  
At times delicate and abstract  
Suffers and make suffer

Silent beauty soft as light  
Charming lady of all nights

Without a doubt a light  
An invitation to bliss  
Glistening of all grace of nature  
Condensed in only one  
Sometimes a word  
Lost in its dream  
Elsewhere inaccessible  
Divine mystery

Beauty of suffering  
Pain of solitude  
Deep look came from far  
Abyss of passion

Silent beauty soft as light  
Charming lady of all nights
