

# Asia, Right To Cry

(Downes/Payne)

He kept it all inside - alive and screaming  
Tears were not his style, his pride was leading

I watched the light dancing on the sea  
As it turned to grey  
Oh, how I wish that the tide would soon return  
Someday, someday

I've a right to cry  
That's not giving in  
Scars from you and I, scars we kept within  
There's a right to cry, it's not giving up  
With my right to cry, now I've had enough

It's hard to break the bones of life, of living  
A side you'll never show, let go, don't need it

Hold on, hold on, hold on  
I can see in your eyes and I know how you're going to feel

I watched the light dancing on the sea  
As it turned to grey  
Oh, how I wish that the tide would soon return  
Someday, someday

I've a right to cry  
That's not giving in  
Scars from you and I, scars we kept within  
There's a right to cry, it's not giving up  
With my right to cry, now I've had enough
