

# Asia, Roundabout

I'll be the roundabout  
The words will make you out and out  
I'll spend the day your way  
Call it morning driving through the sound  
And in and out the valley  
The muses, dance and sing  
They make the children really ring  
I'll spend the day your way  
Call it morning driving through the sound  
And in and out the valley  
In and around the lake  
Mountains come out of the sky and they stand there  
One mile over we'll be there, we'll see you  
Ten true summers we'll be there, laughing too  
Twenty four before, my love  
You'll see I'll be there with you, yeah  
I'll remember you  
Your silhouette will charge the view  
Of distance atmosphere  
Call it a morning driving through the sound  
And even in the valley, yeah  
In and around the lake  
Mountains come out of the sky they stand there  
One mile over we'll be there, we'll see you  
Ten true summers we'll be there and laughing too  
Twenty four before, my love  
You'll see I'll be there with you  
Take it up, take it up  
I'll be the roundabout  
The words will make you out and out  
I'll be the roundabout  
The words will make you out and out  
I'll be the roundabout  
The words will make you out and out
