

Asian Dub Foundation, Hypocrite

Written by: Das, Pandit, Savale, Tailor, Zaman

Hypocrites ! We gonna get inside your mind
Hypocrites ! You will pay for your crimes
Hypocrites we're gonna bleed you dry
Your pockets will be empty but you won't know why

Redistribution is the name of the game
All the cash that you stashed man
We're gonna give away
Lizard man beware this is the digital under class
Coming from places that you've only seen from your car
Accountant, Lawyer, Financial advisor
PR consultant, Journalist, Advertiser
We know your game and you think that we're playing it
When the bill comes through the door you're gonna be paying it

Hypocrite ! We gonna get inside your mind
Hypocrite ! You will pay for your crimes
Hypocrite ! We're gonna bleed you dry
You're pockets will be empty but you won't know why

ADF definitely without a doubt have the skills to pay the bills
The word is community
We shout it with impunity
It's so uncool
It's incendiary
No slogans, no sound bites, but a long term plan
Teaching is the frame work
Building chains of command
So when the lizard man sticks out his tongue
We pull out our scissors and do a hit and run
This is the digital underclass
Yes this is the digital underclass
ADF definitely without a doubt have the skills to pay the bills
