&lt;/lyrics&gt;

Gazing at the fake city from afar  
Wander the screens, Stumbling along  
Excessive words that flutter in the depths of my eye sockets  
I ponder

Oh

Without a hint of comfort, these words saturate  
And bury me, always

Found an alley by the railway tracks  
Wander the margins, Stumbling along  
Taking shape in the depths of my cornea is the gap of the world  
Flides round smoothly

Oh

Things that exist here  
Things that are seen here  
Who do they all belong to?

Instead of closing yourself off  
Got to realize that there's so much you've yet to lay your eyes upon

Passion beyond your imagination  
A fleeting accidental encounter  
The bidding of farewells  
Drifting for an eternity  
Dreams and reality  
Is what I'll search for at the end of my travels

The damp surface of the road, Smell of rain  
My sense of smell, Yes, Tells me of the future  
The power lines resonate, A windy road  
My sense of hearing, Yes, Leads me to the present

Passion beyond a shaking world  
A fleeting accidental encounter  
The bidding of farewells  
Drifting for an eternity  
Dreams and reality  
Is what I'll search for at the end of my travels
