

Asian Kung-Fu Generation, Hold Me Tight

Hold me tight
Hold me tight
Hold me tight, I miss your love

Why is it that you don't love me? Why not?
I can't think what you give up
We'll make out
But you get out

Why is it that you don't give me a chance?
I want to take back my shape
Shake my mind up, and get back

There is no satisfying me
I just know, yeah
You tell me that my life is long
Many miles, long
I feel so alone
Why don't you believe me?
I don't know
I'm just missing you, 'cause you're not right here

Hold me tight
Hold me tight
Hold me tight, I miss your love

Tell me why just going up and down
Look at the way you grow love
If you love me, throw me a kiss now
Hold me hold me... now

Tell me why just going up and down
Look at the way you grow love
If you love me, throw me a kiss now
Hold me hold me... Hold me hold me...
Hold me hold me... now

Hold me tight
Hold me tight
Hold me tight, I miss your love
Kimi ga inakunnatte kara to iu mono
Boku wa koko ni tata zumi
Omoide wo kono mure ni
Nanni ka wo motome de ikiteiru

Ah, kimi wo omoi utaundayo
Ah, kimi wo omotte iru

Hold me tight
Hold me tight
Hold me tight, I miss your love

Hold me tight...
