

Asian Kung-Fu Generation, My Friend

You give me stands beside be my friend.
I still will understand such a scene, every dance.
We hope we can go everywhere. Yeah
I give you stands beside been your friend.
You will lose understand such scene, every dance
We hope we can go everywhere. Yeah
So many things do happen your life
But you dont even worry about them
If you go to closer, I just hope you.
I will like to find you for myself my friend
Im your friend. Like this Ill see you again.
Ill find you because your my friend
Come back here. Lead us and walk
Ill find you because your my friend.
My friend
You give me stands beside be my friend.
I still will understand such a scene, every dance.
We hope we can go everywhere. Yeah
So many things do happen your life
That you dont even worry about them
If you go to closer, I just hope you.
I will like to find you for myself my friend
Im your friend. Like this Ill see you again.
Ill find you because you because your my friend
Come back here. Lead us and walk
Ill find you because my friend.
I know you; you should call me my friend
I know you; you should call me my friend
Call me you; you should call me my friend
I know you; you should call me my friend
I know you; you should call me my friend
I know
