

ASL33P, Stereo Ghosts

Everywhere I go I've got your voice
We never met, but sometimes I got a feeling that we've always known
Now I'm doing my best to join you when I get home
But all I've got right now are traces of you
And all my other stereo ghosts

Stereo ghosts
All in my thoughts
Stereo ghosts
All in my thoughts
Stereo ghosts
All in my thoughts
Stereo ghosts
All in my thoughts
