

Aslan, This Time

Drawing faces in a padded room
With nothing but echoes of screams
Am I insane, am I untamed
Is this the answer, or is it a game
Feels like nothing
And it looks like you're nothing at all
And we all go down this time
Has the world forgotten about me
Am I left here to suffer my pain
Call out to mother, cos there ain't no other
To stop you from crying, crying again
This time, oh this time
Changing places where you once found love
Now everything's falling apart
Are you alone, too far from home
Are you just mindless, or are you a fool
Feels like nothing,
And it looks like you're nothing at all
And we all go down this time
Has the world forgotten about me
Am I left here to suffer my pain
Call out to mother, cos there ain't no other
To stop you from crying, crying again
This time, this time I ain't have no fear
This time, everything I wanted was here
Feels like you're nothing
Feels like nothing at all
Feels like you're nothing at all
Call out to mother
Cos there ain't no other
To stop you from crying, crying again.
This time, Oh this time
Call out to mother
Cos there ain't no other
To stop you from crying again.
Call out to mother
Cos there ain't no other
To stop you from crying again.
Call out to mother
Cos there ain't no other
To stop you from crying again.
Call out to mother
Cos there ain't no other
To stop you from crying again.
Call out to mother
Cos there ain't no other
To stop you from crying again.
Call out to mother
Cos there ain't no other
To stop you from crying again.
Call out to mother
Cos there ain't no other
To stop you from crying again.
Call out to mother
Cos there ain't no other
To stop you from crying again.
