

# Asleep At The Wheel, Cherokee Maiden

One night when the moon was bright on a moonlit plain  
That is where I met my little Cherokee maid  
Memories of our night of love still linger yet  
And I know I never will forget

CHORUS&#58;

My little Cherokee maiden, I love you so  
Even though we're far apart  
I know I'll never be tradin' my love for her  
For anybody else's heart  
Someday day I'll take a trip back to the Cherokee strip  
And I'll carry her away with me and  
Straight as the arrow flies we'll ride to paradise  
My sweet little chickadee, my little Cherokee maiden and me
