

# Asleep At The Wheel, Miles And Miles Of Texas

I's born in Louisiana, down on the old bayou  
Raised on shrimp and catfish, Mammy's good gumbo  
I got the ramblin' fever, said goodbye to maw and paw  
Crossed that old Red River this is what I saw  
I saw miles and miles of Texas, all the stars up in the sky  
I saw miles and miles of Texas, gonna live here 'til I die  
I rode up in to Austin, the cradle of the West  
Just ask any cowboy, he'll tell you that its the best  
And I met a Texas beauty, I got friendly with her Paw  
I looked into her big blue eyes, and this is what I saw

I saw miles and miles of Texas, all the stars up in the sky  
I saw miles and miles of Texas, gonna live here 'til I die  
I started tamin' broncos, made every rodeo  
Until I met a tough one, you know his name was Devil Joe  
And I grabbed hold of his bridle, just to ride this old outlaw  
He threw me from the saddle, and this is what I saw  
I saw miles and miles of Texas, all the stars up in the sky  
I saw miles and miles of Texas, gonna live here 'til I die
